

National Trappers Foundation
429 H Street
Bedford, IN 47421

The National Trappers Foundation, a 501(c)(3) educational based foundation, is posting a request for resumes for the position of Development Coordinator.

NTF is seeking an individual with excellent people skills, marketing experience, and willingness to travel. Among the responsibilities for this position is recruiting partners throughout the United States to host banquets, soliciting donations, and general fundraising.

The position provides monthly-based pay plus commissions. This position is a contract position.

NTF will begin receiving resumes beginning April 1, 2026.
You may apply online at: www.nationaltrappersfoundation.com

NTF Mission Statement:

To improve knowledge as well as inform and educate the public about furbearer species

To stimulate public interest and appreciation of furbearers and natural resources, the need for and importance of restoring, using wisely and scientifically managing furbearers.

To promote improved environmental education and to coordinate and cooperate with other organizations, agencies and individuals with similar interests.
